Model #	Shipping and Storage - Letter/Legal	Side-Tab™ Drop-Front - Letter	Easylift™ - Letter/Letter	X-Ray Boxes	Liberty® Binder-Pak™
					
Item Number	0007101	00061	0006301	00650	48110
Copy	Shipping and storage box in one. Reusable box is ideal for shipping or securing confidential records. Adhesive strip seals box securely for shipping, prevents tampering. Once shipped, top lid tears off to reveal flip-top lid for instant storage. Reinforced tear-resistant handles make box comfortable to carry.	Drop front lid provides easy access to end-tab patient files and medical records. Designed for shelf storage these sturdy units stack 2 high. Center divider holds file folders upright for easy organization. String & button closure keeps files securely stored.	Letter/Letter sized box is 20% lighter than a standard letter/legal box when full. So compact, it's easy to transport - So light weight, it's easy to carry. Lift-off lid ships attached to prevent lid loss, then tears off for use.	Shields sensitive x-ray film from dust and dirt. Supports the weight of standard 14" x 17 1/2" film jackets. Secure tab lock closure prevents film jackets from sliding out.	This "Binder in a Box" keeps records neat and dust-free. Rugged plastic posts and compressor rings lock closed for the ultimate document security. Posts adjust to 2 3/4" or 4 1/4" spacing to suit a variety of materials. Unique closure ensures binder opens easily yet locks securely.

Item Number	8029801	8036101	8035901	8036001
Copy	You can work in either a "sitting" or "standing" position. Height can be adjusted for taller users (up to 6-1/4" above desktop) and the range of motion below desk is 5" for custom knee clearance. A simple one-handed motion instantly repositions keyboard height without locks or levers. The 10" round mousing platform mounts over your keypad or flush with keyboard for easier mousing. Leatherette keyboard palm support with Microban® antimicrobial protection keeps product cleaner. Meets ANSI/BIFMA standards.	Comfort-Lift™ system lets you slide mouse platform left or right over keyboard numeric pad and offers 2 custom height positions. Designed and manufactured for Fellowes® by Humanscale®. Mouse platform tilts forward or backward, adjusts up or down, and mounts on left or right side of keyboard tray. Height and tilt indicators to customize keyboard tray settings. Warning Trak™ helps prevent mouse from sliding off platform. Lift and lock feature lets you adjust height with one hand. Single-touch lever slides from left to right to adjust tray tilt. Health-V™ memory foam supports with Microban® antimicrobial protection stay cleaner and relieve wrist pressure to help prevent carpal tunnel syndrome. Meets ANSI/BIFMA standards. Item Number	93841	8038302	8031207	9140303
Copy	Full adjustable unit moves keyboard and mouse off the desktop to save workspace. Simply grasp and rotate keyboard tray to your preferred work position. Use a single knob to adjust the height and tilt for individual comfort. Both keyboard tray and mouse tray include soothing gel wrist supports. Mouse tray mounts to either right or left side or stows underneath for easy storage when not in use.	Easily attaches to most workstations without tools or complex instructions. Patented clamp attaches unit to desktop (5/8" – 1-1/2" thick) without surface damage (33-3/4" wide space required). Offers 3 height positions below desktop to ensure personal comfort: 2-3/16", 2-13/16", and 3-1/2". Soothing memory foam wrist supports with Microban® antimicrobial protection stay cleaner and place hands/wrists in neutral position. Tray tilts at -3, -6, and -9 degrees to suit personal preference. Separate keyboard and mouse platforms allow you to position mouse on right or left side of keyboard tray. Sturdy, impact-resistant tray fits standard keyboards.	Moves keyboard and mouse off the desktop to save workspace. Features 3 height adjustments to suit preferred work position. Mouse tray mounts to right or left side of keyboard tray or stows underneath when not in use. Product contains 100% recycled materials. Soothing memory foam wrist supports with Microban® antimicrobial protection stay cleaner and place hands/wrists in neutral position. Easy to install and adjust plus attractive new look and color. Ball-bearing glide tracks ensure smooth drawer movement.	Moves keyboard and mouse off the desktop to save workspace. Features 3 height adjustments to suit preferred work position. Mouse tray mounts to right or left side of keyboard tray or stows underneath when not in use. Product contains 100% recycled materials. Sturdy, impact-resistant tray fits standard keyboards.

Item Number	8060201		8060101	
Copy	Features the Comfort Glide™ System – mouse tray slides over numeric key pad. Strong brackets easily attach to desktop edge up to 1-3/4" thick without tools, allowing platform to effortlessly tilt and slide. Extended knee clearance keeps you comfortable while typing and mousing. Attaches to desktops up to 1-3/4" thick without surface damage. Single lever easily adjusts tilt (flat to 30°) and slide (4-5/8" travel distance). Unique textured surface keeps mouse from sliding off mousing platform. Ultra soft memory foam wrist support with Microban® antimicrobial protection keeps product cleaner.		Strong brackets easily attach to desktop edge up to 1-3/4" thick without tools, allowing platform to effortlessly tilt and slide. Extended knee clearance keeps you comfortable while typing and mousing. Attaches to desktops up to 1-3/4" thick without surface damage. Single lever easily adjusts tilt (flat to 30°) and slide (4-5/8" travel distance). Unique textured surface keeps mouse from sliding off mousing platform. Ultra soft memory foam wrist support with Microban® antimicrobial protection keeps product cleaner. Large platform holds both keyboard and mouse.

PrivaScreen™ Blackout Privacy Filters

Filter blacks out from the side view to protect your privacy, while maintaining a crystal clear screen straight-on. Quick Reveal Tabs™ make it easy to attach and remove. Reversible; matte side helps reduce glare and filter is compatible with touchscreen laptops and monitors. Supports compliance with privacy regulations including HIPAA; TAA Compliant. Protects screen from fingerprints and scratches. Helps reduce blue light transmission.
